

## **Moderne Medical Dermatology Practice**

(Copy to promote interest in cosmetic procedures with new clients and to reward existing clients during the summer months.)

Summertime isn't always a season of 'easy living.' For many women, family and work commitments fill each day to overflowing with the longer daylight hours. Yet, when there is an hour here or there carved out for you to relax and renew are you making the most of it?

This month, **Moderne Dermatology** is offering a menu of cosmetic options selected from our regular menu of full service - a *Midsummer's Mini-Refresh*.

New cosmetic clients begin by booking a consultation with one of our dermatologists for a fee of \$100. One *Mini-Refresh* procedure is included with your appointment. For our existing cosmetic clients, your choice of two (2) *Mini-Refresh* procedures is offered for the price of one.

Appointment availability is limited, so please us call today (214) 801-6900. We will be delighted to review with you the *Mini-Refresh* menu options that will provide you with the best value and treatments to enhance your well-being this summer. We look forward to helping you enjoy your best summer ever.
